Dear Parent/Carers

Schools have been closed to increase social distancing, which means minimising the number of people who are in close proximity to each other.

You should only send your child to school on Monday if your work is critical to our COVID-19 response and there is no one at home to look after them.

If you are able to keep your child at home you should, so that they, you and our staff are at less risk of exposure to the virus.

The first and overriding principle is for everyone to stay at home if at all possible.

Thank you for your support.

Kind regards
