

### **What is Discrimination?**

Discrimination occurs when people receive less favourable treatment on any grounds which cannot be shown to be justified. This covers race, ethnic or national origin, sexual orientation, disability, responsibility for other dependents, social class or where the person lives.

### **What is CSE?**

Sexual exploitation of a young person under 18 involves exploitative situations where a young person receives something (e.g. food, drugs, alcohol, cigarettes, affection, gifts or money) as a result of them performing, and/or another or others performing on them sexual activities.

### **What is FGM?**

It is the illegal act of partial or total removal of external female genitalia for non-medical reasons.

### **What is The Prevent Duty?**

A duty on schools to recognise that some children are vulnerable to radicalisation and there is a clear safeguarding procedure in place to act upon any concerns.

It is a **STATUTORY** duty.

### **What has increased the threat of radicalisation?**

Social media and the ability of a wide range of organisations to communicate their messages to young people across the globe in ways prior to the worldwide web would have been extremely difficult.

### **Safeguarding guidance**

Adults visiting or working on the school site play an important part in the life of the school. You can play a part in keeping our pupil's safe whilst working at, or visiting the school by observing the following guidelines:

- Do not give any personal information to pupils, such as your mobile number, email address, address or social networking information.
- If you have any concerns that a pupil may be at risk of harm, report it immediately to the Designated Safeguarding Leader who can be contacted via the main school

office. Do not discuss your concerns with the pupil, and do not carry out an investigation.

- If you have a concern about the conduct of a member of staff please speak with the Head of School.

For further guidance, the school's Safeguarding Policy can be found on the school website under the 'Parents' tab.
