

Here are some fun things for you to be doing as you get ready to start school in Hedgehogs Class!

<p>Work your way through the list and give yourself a tick when you've had a try!</p>	
<p>Play 'I Spy' when you go for a walk.</p> <p>Adults: try to use the letter sound rather than the name, you can watch this video with your child to help you learn the letter sounds with Mr Tumble from CBeebies:</p> <p>https://youtu.be/mMog84sQp3o</p>	
<p>We LOVE books at Witchampton! Read a story together every night.</p> <p>If you look at the Home Learning Page of our website you can see me and some of the other teachers, reading a story.</p>	
<p>Get dressed today all on your own. Have a really good try with buttons, tights and shoes onto the right feet.</p>	
<p>Getting ready to write means having strong fingers! Can you do some threading today?</p> <p>Or make something with playdough?</p>	
<p>Make a model out of old junk at home. It could be a boat for your teddy! Or a garage for your cars!</p>	

Get to know a story or a rhyme or a song. Practise at home and when we start school

you can sing it to me!

Learn how to take turns: eg: playing a game like Snakes and Ladders is really fun. It is great for your counting skills too!

You could also look out for numbers in your house and on your road.

Count the stairs to bed, or count the steps to the bedroom.

Order 5 favourite toys in size order. Try from biggest to smallest and then the other way around!

Have a dance to your favourite music. We love to dance in Hedgehogs, so start getting those moves together!

Practise using a knife and fork so that you can enjoy our delicious hot lunches at school.

We have fruit for snack, can you eat your apple without it being cut up?
Have a go!
