

# Witchampton British Values

At Witchampton we have been learning about values that are important in our country Britain. Each creature reflects one of the British values and encourages us to remember these values in our day to day school life.

Britain is a democracy - this means that the people in Britain vote for the people who make the laws and decides how the country is run. At Witchampton we show we are democratic by voting for important things such as being on the school council.

'**Democracy**' the Dragon helps teach us how important it is for everybody to have a voice when big decisions are made.

In Britain we have laws that we all follow so that we are safe. In school we have rules that we all follow.

'**Judge Lizard**' reminds us that we all have to follow the school rules so that we stay safe. Sometimes we can be forgetful, but if we see anyone not following our school rules, we will give them a gentle reminder.

'**Liberty Leopard**' reminds us that we have the freedom to make our own decisions and to stand up for what we believe is right so long as our choices show respect for everybody else.

We might not always agree with other people, but we try to show respect for their thoughts and feelings. We can give respect to others and we can expect other people to show us respect too.

'**Ralph**' reminds us how important it is to be polite to each other, to listen to each other and to appreciate each person's special qualities. We should always treat other people just as we want people to treat us.

In Britain we accept that other people might have different beliefs than ours and they may believe in different religions. '**Tyler**' reminds us how everybody in the world is unique. We all have our own individual qualities and we are all equally special. Make sure that everybody you meet knows how special they are! Remember, you are special too!
